HAPPY HALLOWEEN THURS — OCT 31

From the Manager's Corner

I want to inform you of an important change coming to our community. Starting January 1, 2025, Hunters Ridge communities will be transitioning to a smoke-free community. This decision was made after careful consideration and with the well-being of all residents in mind. As we strive to create a healthier and more comfortable living environment, we believe that eliminating smoking within our community is a positive step towards achieving this goal. Our primary goal is to ensure a healthy and enjoyable living environment for everyone at Hunters Ridge.

Sincerely, Rachel Summerfield, LCAM
