Hi, my name is Julie and I am a certified instructor of water aerobics. Join us for cardio/flexibility water fitness class. The Instructor always allows you to go at your pace within the class. The classes run from October to April. The water is warm and water aerobics provides many medical benefits. ALL are welcome to come and observe OR join in and see how refreshing you'll feel.

From the Manager's Corner

I want to inform you of an important change coming to our community. Starting January 1, 2025, Hunters Ridge communities will be transitioning to a smoke-free community. This decision was made after careful consideration and with the well-being of all residents in mind. As we strive to create a healthier and more comfortable living environment, we believe that eliminating smoking within our community is a positive step towards achieving this goal. Our primary goal is to ensure a healthy and enjoyable living environment for everyone at Hunters Ridge.

Sincerely, Rachel Summerfield, LCAM
